Why Vision Automation?

- Advanced Engineering Capabilities.
- Sound manufacturing Knowledge.
- Value of Commitment.
- Trust
- Proven Success.
- Dedicated Service Team.
- Professional Working System.

Customer Focus & Satisfaction

On Time Delivery & Installation Commitment

Fast Response To Customer

Exllent Quality & Advance Technology

Proven Success & Achivements

Fastest, Superior, Cost Effective & Prefect Solution

Single Point Solution- Automation, Mechanical, Hydraulics

Our Vision & Mission

Vision :

To be choice of customer by providing total industrial Automation, Mechanical & Hydraulic solution through innovative and committed, reliable services.

Mission

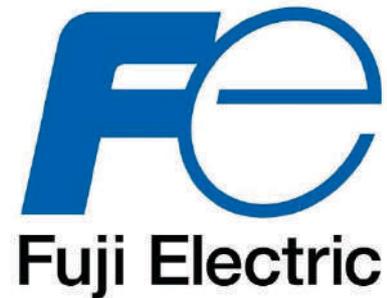

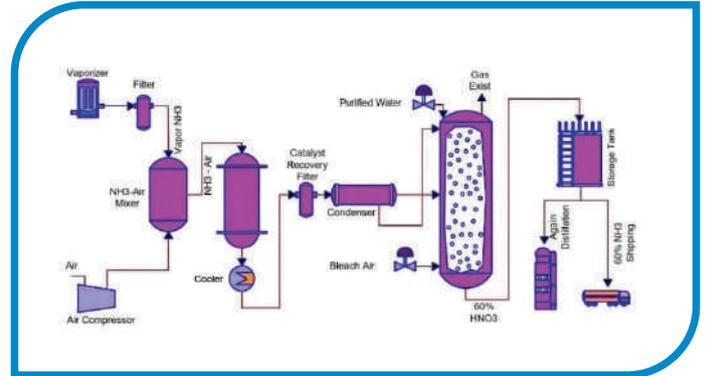

Think with clirity and courage
Act decively and on time
Achive goal with confidance & assertiveness

Values

Quality : We satisfy and delight our client by giving best quality product and services
Commitment : We are committed to perfect delivery time.
Teamwork : We work together across boundaries to meet the needs of our customers
Integrity : We uphold the highest standards of integrity in all of our actions.
Future Plan : We committed to introducing by providing the opportunity to next generation of smart manufacturing & services.
Relationship : We maintain the demand integrity in our interactions with customers & our team members

INDUSTRIAL AUTOMATION

- Factory Automation
 - PLC Project
1. Automation for Food Packaging Machine
 2. Automation for Bottle Filling Application
 3. Automation for Paper Application
 4. Automation for Pharmaceutical Application
 5. Automation for Chemical Reactor Application
 6. Automation for Material Handling Equipment
 7. Automation for Roll Forming Machinery
 8. Automation for Slitting - CTL
 9. Automation for Online Punching & Fly Share
 10. Automation for Pick & Place Robotics
 11. Automation for SPM
 12. Automation for Wire Draw Machine / Bar Cut
 13. Automation for Blasting Machine
 14. Automation for PVC Pipe & Aluminum
- Servo Application
 - Process Automation
 - SCADA Project
 - Turn Key Project

IN-HOUSE FACILITY

- Dedicated Programming Team.
- Project Management Team to track the project activities.
- Skilled Programming Team can handle Delta, Mitsubishi & Schneider Brand
- In house integrations & Testing Team
- Programming as per working flow chart
